### FAMILY CORNER

by Ms. Bigelow

With COVID still being present, here are some helpful tips to keep your children safe as we continue to navigate through the pandemic:

- Keep mask on children ages 2 & up when out in public
- Talk to them about social distancing
- Washing hands (can sing ABCS to ensure sufficient washing)
- Clean surfaces and objects that children touch a lot (ie doorknobs, tablets, game controllers, etc)
- If child is showing any symptoms of Covid, keep them home & call their pediatrician
- Let them enjoy outside time with their friends outdoors vs indoors (CNN health states that the risk of catching covid is much lower if the child is playing outside)

### DATES TO REMEMBER

- **9/6 – Closed in observance of Labor Day**
- **Annual registration fees are due. Please see a member of admin for your fee and due date.**

### WHAT'S NEW

- Please help us welcome our new sub Ms. Chelsea Staples. She started with us on 8/23 and has been a great addition to our Hester's family. Welcome Ms. Chelsea!!!
- We have officially started our NC PreK school year on 8/27.

### REMINDERS

- Mask are still required for all parents when entering the building as well as all children who are 3 & up.
- Please make sure to label your child(ren)'s clothing and bookbags they bring in (Inf-4s)
- Also be sure your child has at least 2 changes of clothing in their cubby at all times.
- If you supply your child's blanket, make sure it's taken home each Friday. We will wash it Mon-Thurs.
- If you travel out of the state, you must quarantine for 72 hours before returning.
