- Infants have been working on fine motor skills & communication with simple sign language. They are learning to say "more" and to wave "goodbye". They love clapping!
- Tots enjoyed exploring different things outside on their nature scavenger hunt.
- Twos have been exploring music & movement.
  - Threes are discussing the "Building" unit. They enjoyed having parent "Chef Mike" come in and fix them a morning snack.
  - PreK are getting busy with the "Exercise" unit. They have also been working on patterns, rhyming & counting syllables.
  - NC PreK have been exploring the "Building" unit as well. They will move on to discussing "Gardening" next month. They also worked hard on their "Black Excellence Program & delivered really good presentations.
  - School Agers have been exploring life cycles, Black History, wild birds and Dental Health.
  - We would like to thank all of those who participated in our schoolwide Valentine's Day dance. Be on the lookout for our next parent engagement event.
